Stephanie Sterling, MD
Clinical Assistant Professor of Medicine
Hospital Epidemiologist, NYU Langone Hospital-Brooklyn
NYU School of Medicine

Gail F. Shust, MD
Clinical Assistant Professor of Pediatrics
NYU School of Medicine

COURSE DESCRIPTION

The field of infectious diseases has become increasingly visible to physicians and laymen alike owing to the emergence and re-emergence of diseases such as HIV/AIDS, pandemic influenza and infections caused by “superbugs” such as methicillin-resistant Staphylococcus aureus. New information evolves rapidly, making it difficult for the practicing physician to remain abreast of the latest developments. This course will provide the latest, practical, evidence-based information and expert opinion on the epidemiology, diagnosis, treatment and prevention of important infectious diseases likely to be encountered by the practicing physician. Lectures, case-based discussion and question and answer sessions will be delivered by nationally and internationally recognized leaders in infectious diseases. Attendees will have the opportunity to meet informally with lecturers and colleagues during break periods.

EDUCATIONAL OBJECTIVES

After participating in this activity, clinicians should be able to:

• Describe the indications for HIV pre-exposure prophylaxis (PrEP)
• Describe the medications recommended for HIV pre-exposure prophylaxis (PrEP)
• Describe the first-line medications for treatment of hepatitis C virus infection and evaluation for treatment follow-up
• Formulate a pre-travel vaccination and prophylaxis treatment plan for a travelers based on their itinerary
• Discuss the evaluation of a patient with a febrile illness after a tick bite
• Determine the appropriate treatment for the different clinical manifestations of Lyme disease
• Formulate a plan for initial evaluation of a patient with a possible prosthetic joint infection
• Determine which patients should be vaccinated against shingles
• Describe and prescribe first-line medications for influenza treatment
• Discuss common barriers against vaccination and develop strategies to overcome these barriers within their practice

TARGET AUDIENCE

Primary care physicians, general medicine internists, family practitioners, physician assistants, nurse practitioners, and other allied health professionals

LOCATION

NYU Langone Health
550 First Avenue, Alumni Hall
New York, NY 10016

COURSE FEES

Early Bird Full (ends 9/30/19 at 11:59 pm EST): $249
Full: $299
Reduced*: $129

* Reduced fee applies to physicians-in-training; physicians employed by the Department of Veterans Affairs Medical Center; full-time active military personnel; retired physicians; advanced practice providers; and all other non-physician healthcare professionals.

Please note: This course is eligible for NYU School of Medicine Alumni discount.

REGISTRATION

nyulmc.org/idcme

After 12 pm on October 30, 2019, only onsite registration is available, provided the course has not reached capacity. Onsite registrants will incur an additional $20 charge. Registration is non-transferable.

ELECTRONIC SYLLABUS

Course syllabus will only be distributed electronically. A link will be sent the week of the course where you can view, download or print course information and presentations in advance. This link will also allow you to view the course syllabus on your smartphone, tablet, or laptop during the course. Course presentations remain available for one year after the course.

REFUND POLICY

Submit your request for a refund of course fees more than $75 no later than 7 days before the course start date. No refunds will be issued for cancellations or no-shows after that time. To request a refund, email cme@nyulangone.org. A $75 administrative fee will be deducted.

COURSE CANCELLATION POLICY

If a course is cancelled due to inclement weather, insufficient enrollment, or any other reason, NYU SOM will refund registration fees in full. NYU SOM will provide at least two weeks’ advance notice if cancelling due to insufficient enrollment and as soon as possible in all other circumstances. NYU SOM is not responsible for any airfare, hotel, or other non-cancellable costs incurred by the registrant.

NYU School of Medicine  
Phone: 212-263-5295  
Fax: 212-263-5293  
Email: cme@nyulangone.org

**CME ACCREDITATION STATEMENT**
The NYU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**CREDIT DESIGNATION STATEMENT**
The NYU School of Medicine designates this live activity for a maximum of 5.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**MAINTENANCE OF CERTIFICATION**
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 5.25 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
